

An aerial photograph of a scenic landscape featuring a winding asphalt road that curves through a hillside. The road is bordered by stone retaining walls and is flanked by rows of grapevines in a vineyard. The surrounding area is lush with green trees and vegetation. In the background, a multi-lane highway is visible, with a few cars driving on it. The overall scene is bright and clear, suggesting a sunny day.

***Monitraf
recommendations***

Main conclusions

- **Transport in Alpine regions represents a common problem – requires joint measures;**
- Not only monitoring;
- Infrastructure not enough – accompanying measures essential;
- Collaboration a big challenge;
- A new kind of culture for the border areas;
